

LanguageLine® On-Demand Interpretation

Turn Language Barriers Into Opportunities

Over the next four decades, the foreign-born population in the U.S. will nearly double. Nearly half of these individuals will be limited English proficient (LEP). Preparing your staff for the dozens of languages they could encounter on any given day is impossible. But there is an innovative, cost-effective way to ready your business for the future: Partner with LanguageLine, the world's most experienced language service provider.

20,000+ LanguageLine® CertifiedSM Interpreters are ready to support your organization, 24/7

Over-the-Phone (OPI) Interpreting

Connect to expert audio interpreters in 240+ languages, using traditional telephonic and digital access methods.

Video Interpreting

Access interpreters in 40+ top languages, including American Sign Language (ASL) and British Sign Language (BSL), with the benefit of visual cues and facial expressions.

LanguageLine® App

Empower your frontline staff to bridge language barriers by connecting to interpreters from most digital devices in seconds.

TeamLink®

Route LanguageLine App calls to your staff interpreters first. When they are unavailable, calls roll over to LanguageLine.

Custom Inbound Call Solutions

Streamline inbound calls to provide a total in-language experience when community members call you.

Telehealth and Virtual Meetings

Add interpreters to your telehealth sessions or virtual meetings anytime.
