Digital and Traditional Audio Interpretation

Choose LanguageLine for unmatched quality, speed, and support

Language barriers are frustrating. They're also time-consuming and costly. Through traditional telephonic and digital audio solutions, LanguageLine Phone InterpretingSM eliminates barriers to communication by connecting you to highly qualified trained professionals, in seconds.

Our interpreters are among the best in the industry

That means they're invested in your success as well as ours. We provide support and training and can attest to the quality of their work.

We can work at any scale

LanguageLine handles 75+ million interactions per year—more than two for each second of the day.

We're dedicated to your success

We will provide your business a strategic program analysis and recommendations for optimization. We even provide complimentary implementation of your program and ongoing training.

Telephonic Solutions

Over-the-Phone (OPI) Interpreting

Language challenges can arise when your staff needs to explain payment options, enroll a student in classes, provide medical care, obtain signatures for financial documents, and detail criminal justice matters. With LanguageLine, they can simply dial a toll-free number and connect with one of our professionals in seconds. All calls are confidential, secure, and HIPAA-compliant.

Whether you have a high-volume call center or a small office, LanguageLine simplifies the steps for your employees to access an interpreter. From direct-dial access to automated rollover solutions, our innovative technology helps reduce call handle times and enhance the experience of the LEP individuals you serve.

Custom Inbound Call Solutions

Streamline inbound calls to provide a total in-language experience when community members call you. LanguageLine® DirectResponseSM improves engagement in programs and hotlines serving diverse communities. In-language phone tree options help connect your callers to the right department with an interpreter on the line, saving time and maximizing productivity of your English-speaking agents. You can customize the call flow from start to finish to reduce caller frustration and increase efficiency.

Digital Audio Solutions

LanguageLine® App

The LanguageLine App gives your staff one-touch instant access to accurate, meaning-for-meaning audio interpreting in more than 240 top languages, 24/7.

With the LanguageLine App, you can:

- Reach qualified interpreters in the moment of need
- Choose either audio or video interpreting
- Count on crystal-clear audio and superior interpretation
- Stay secure with full encryption

Electronic Health Record (EHR) Platforms

Securely launch an interpreting session from within a patient's record in your EHR system during face-to-face encounters. LanguageLine can integrate audio interpreting services into any EHR system that uses SMART on FHIR.

LanguageLine® for Telehealth and Virtual Meetings

Connect to LanguageLine interpreters from within your telehealth or virtual meeting platform anytime during a session, including:

You'll enjoy the same access and availability as the LanguageLine App. Plus, we'll protect your clients' privacy with robust information security protocols.

You can easily integrate LanguageLine with any platform that's SIP-enabled. Once you go live, it's easy to ensure that requesting an interpreter will be simple for your users and keep your organization compliant.

Contact Center Workflow Improvements

For SIP-enabled contact centers, it's easy to customize your address book or agent user interface to provide one-click access to LanguageLine audio interpreters, boosting agent productivity and customer experience. LanguageLine seamlessly embeds account credentials in the call request, saving agents 30+ seconds of call handle time.

Work with the Language Partner You Can Trust

You have options for language service providers. But not everyone offers top-notch platform availability, industry-leading technology, expertly trained linguists, and full support for your compliance needs. You can count on LanguageLine to deliver:

Superior Uptime

Our platform uptime exceeds 99.99% availability with redundant mission-critical systems and automatic failover between sites.

Unparalleled Quality

All LanguageLine interpreters undergo rigorous testing and training before working with our clients. Each potential interpreter must pass our language proficiency test, determining bilingual fluency in English and their target language. Then, they must pass our Interpreter Skills Assessment test and complete a thorough new hire orientation.

ASTM Certification

ASTM International defines 12,000+ standards used worldwide to improve product quality, enhance health and safety, and let customers know they can count on products. LanguageLine is the only language service provider to be certified for:

- ASTM F3130-18 Standard Practice for Language Service Companies
- ASTM F2089-15 Standard Practice for Language Interpreting for our phone and video interpretation services

Support for Regulatory Compliance

The LanguageLine App helps protect your organization by making it easier for you to adhere to federal laws and regulations. We'll remove barriers to communication, so your organization complies with:

- Section 1557 of the Patient Protection and Affordable Care Act (PPACA)
- Title VI of the Civil Rights Act of 1964
- Right to Financial Privacy Act of 1978 (RFPA)
- Americans with Disabilities Act of 1990 (ADA)
- Health Insurance Portability and Accountability Act of 1996 (HIPAA)
- Gramm-Leach-Bliley Act of 1999 (GLBA)
- Fraud, Waste, and Abuse (FWA)
- Equal Employment Opportunity Commission (EEOC)
